Reminders & Considerations					
Please consider the following when developing your program:					
Students may not earn more than one semester credit hour per week over the course of the program. For example, a 3-week long summer program can offer no more than three semester credit hours. All maymester, summer, and wintersession programs must have a minimum student enrollment of 15 undergraduates or 10 graduates. All students accepted to your program must attend a mandatory Pre-Departure Orientation provided by the Study Abroad Office. This orientation should be held no later than one month prior to departure. A Study Abroad Fair is held in early-September and early-February. This is an opportune time for you to recruit students for your program. The Study Abroad Office will send you an invitation to attend the fair each semester. Study Abroad Staff can help promote your program by creating promotional materials to post on campus and pass out to students at info tables and info sessions. We are also available to visit classrooms on your behalf. Please visit the Study Abroad website (http://studyabroad.uta.edu) for more information, or contact Study Abroad Staff with any questions at studyabroad@uta.edu or 817.272.1120
